SEASONS GREETINGS FROM REV. SAM AND MRS. JONHILD DUNYA

**GLOBESERVE
MINISTRIES
INTERNATIONAL**

We wish you a
Joyous Christmas!!!
LUKE 2:8-14

The greatest news and the great historic moment facing humanity is not the newest invention of man but of God becoming like human and Lord of all of His creation. It began in a little town and continues to spread through cottages, villages, communities, towns, cities, and metropolis globally.

God chose the outcast to spread this greatest news of our salvation. He does what He wills for humanity's good. And as you celebrate our Saviour's birth, God got you and will take care of you no matter what. Fear not He is with you.

May the miracle of Christmas remind you of God's boundless love and grace. Wishing you a blessed holiday season, filled with the joy of His presence and the warmth of His peace. Merry Christmas, and may the light of Christ shine brightly in your heart and home.

REV. SAMUEL & MRS. JÓNHILD DUNYA

INTRODUCTION

But the angel said unto them, fear not: for behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour which is Christ the Lord, and this, shall be a sign unto you; ye shall find the baby wrapped in swaddling clothing lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, goodwill towards men. (Luke 2:10-14)

CHIEFS RECEIVE THE CHURCH IN THEIR COMMUNITY

In this month of December, we are in great awe at the opportunities the Lord is giving church in the land of Saboba. Today another history is made, the paramount chief of Saboba Traditional Council including the chiefs of the Fulani tribe, chief of the Mose tribe (140 of them) instead of the 100 expected came in their numbers to give us their full support in not slowing down or entertaining fear and to equally ensure that all their communities have churches. This is unprecedented in the words of the paramount chief in their history. This calls for great strategy and research into all their communities, and many prayers for God's abundant provision. God is clearly on the move, and we are in awe!!

SERVICE WITH THE GLOBESERVE CHURCH IN SOUTHERN GHANA - (LOVE ASSEMBLY)

Praise the Lord for building his church across the regions. This is one of the GlobeServe churches in the Southern part of Ghana precisely (Ho) and we praise the Lord for the lives of all members and leaders as they continue to reach the unreached places in the Southern part of Ghana.
