### INTRODUCTION

Learn to do right; seek justice. Defend the oppressed. Take up the cause of the fatherless; plead the case of the widow.

### GOD'S HEART FOR JUSTICE

**GLOBESERVE**  
MINISTRIES INTL.  
GHANA - WEST AFRICA

No one understands injustice like those Justified by grace through the blood of our Lord Jesus Christ. In the month of September our focus is to delve into issues of injustice especially Child

trafficking and Child labor. Justice reserved is injustice, hence God's call to "Learn to do good; seek justice, correct oppression; bring justice to the fatherless, and plead the widow's cause."

# GOSPEL OF JUSTICE CONFERENCE (SOUTHERN SECTOR)

On the 8th of September, 2023, GlobeServe ministries organized a justice conference, themed; "Justice that is transformative". Present were reps from various churches in the town, disciples that were trained and put together to be activists for the justice cause, traditional leaders, their delegates and people from the town and suburbs.

Speakers took turns to highlight on the causes of injustice and why everyone needed to come on board. Churches, traditional authorities, government officials and institutions as well as men and women in their various communities took to this slogan as a guide against child slavery "if you see something, say something".

It's our prayer that the trails left behind at Adidome will serve as constant reminder to the people to shun discrimination, protect and defend one another now and always.
