NEW YEAR'S CELEBRATION

The Lord Reigns! Hallelujah! GlobeServe Missionary Church marked the beginning of the jubilee year across board with glorious celebration services to bless the name of the Lord for His faithfulness and loving-kindness towards His people. This was marked with songs of praises, adoration and lifting of Holy hands. This was also an occasion to unveil the theme of the year “2024, the year of the Lord’s Sovereignty “.

LEADERS AND DEPARTMENTAL HEADS RETREAT

Write the vision, make it plain so that all who read may run with it. Glory to God for a successful leaders and departmental heads retreat. Ministries present included Men ministry, Women Ministry, Youth Ministry, GlobeServe Students and Associates and Children's ministry represented by their delegates. This retreat was focused on strategic planning and execution for the year 2024, the year of the reign of our Lord.

PASTORS, CHURCH LEADERS, AND ADMINISTRATORS MEETING

God be praised! The general overseer paid an apostolic visit to the pastors, church leaders and Administrators in the Volta region hosted by the Chief Operating Officer, Rev. Mawuli Vinyo. It was a sight to behold to see the labourers on field in anticipation of the great harvest in the year of the Lord's reign, Hallelujah! It also served as a forum for strategic planning and mobilisation for the great work ahead.

THE VISION SYNERGY SUMMIT

The heavens rejoice and the earth is glad, Hallelujah! The Vision Synergy Summit under the theme, honouring kingdom collaboration that results in kingdom breakthrough among the unreached was held in Tamale hosting partners from across board. The need for synergetic collaborations with its resultant great commission breakthrough among the unreached cannot be underestimated, hence the need to bring more on board as partners to the great commission in reaching more people with the transformative good news of the gospel. The harvest of souls is great, we pray for more labourers!

TEAMWORK IN BUILDING A CATHEDRAL FOR THE LORD.

In the year of the reign of the Lord, the Church is being built by the Lord and the gates of hades shall not prevail. It is all joy seeing the young and old come together to build a befitting temple for the Lord. What a privilege to be a partner with the Lord in building His church, in putting together a befitting edifice as a place of worship. After the sword cutting ceremony a few months ago, to the glory of God, substantial work has begun! Hallelujah. It pleases the Lord to see the work begin!
