## **EXPONENTIAL DISCIPLE MAKING SEMINAR IN YEJI**

“Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely, I am with you always, to the very end of the age”. GlobeServe is constantly on the ‘disciple making move’. This time around, in the Northern sector, Yeji. Numbers of attendants trooped in from Yeji and its neighbouring towns for the three-day training. Lively and interactive sessions of intense teaching and question and answers were at the very pivot of it all. Glory to God for a successful seminar.

## **THE TIMOTHY INITIATIVE PROGRAM**

“You then, my son, be strong in the grace that is in Christ Jesus. And the things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others. Endure hardship with us like a good soldier of Christ Jesus”. 2 Timothy 2:1-3. Church leaders and Pastors under the Timothy Initiative undertook a follow-up training in the Volta region, just as stipulated in the training schedule. The goal of this training is to produce a competent, strong, reliable, diligent and faithful workforce that would be qualified to teach others, just like good disciples do. Attendees were put under knowledge based interactive sessions, group sessions and were assigned tasks as well.

## **REV SAM SPENDS TIME WITH THIRD GENERATION DISCIPLES**

If the mission is the great commission, then it must be intentional. The next move of the church is still making reproducible disciples of the nations for Jesus Christ. Rev. Samuel A.K Dunya spent time with 14 out of 90 third generation disciples, who are currently working amongst the unreached at the GlobeServe Centre for African Missions and colleagues God is on the move to reconcile all to himself. Hallehuhyea

## **MOTHER'S DAY CELEBRATION IN NORTHERN GHANA**

This year's mothers' day celebration was marked across GlobeServe Missionary Churches as an appreciation to all spiritual and maternal mothers. Our highlight for this celebration was focused on our aged mothers in Northern Ghana. Our mothers in the North are particularly grateful for the immense support they received from Pastor Sam Dunya and his team during this year's Mother's Day celebration. According to them words cannot express how grateful they are for the support offered. In recent times its has become very difficult to afford a meal for the family hence having someone extend a helping hand in these trying times is a great blessing to them. Many prayers have been extended to the donors of this initiative. The goal is to be able to organize it twice a year so we can extend God's tangible love to these aged women. Some have been accused of witchcraft, some have also been sacked from their homes and communities because of the stigma thus leaving them to feed on the leftovers at the market squares.

## **BAPTISM IN BURKINA FASO**

God is building His church in Burkina Faso and the frontline workers are seeing more people added to the church. Receiving and confessing the name of Jesus in their hearts and affirming their faith by being baptized. Glory to the name of Jesus on high.

## **POOR SOURCE OF DRINKING WATER FROM COMMUNITIES UPNORTH**

The fact remains that the need for water for our mothers, fathers, the young and the aged are still relevant. Reports from the field shows that we must not and should not turn a blind eye but do something for the glory of God to be made manifest both in words and in deed.

## **YOUTH RETREAT IN SOUTHERN GHANA**

Members of the youth in Adidome (Depkpoe Assembly) organized a youth retreat to gather all members of the youth in their environs to seek the face of God. It was a glorious moment as we had times of fellowship with the Lord and with the brethren gathered.

## **ON THE FERRY WITH STUDENTS FROM YEJI**

While waiting to cross the Volta Lake with the Ferry Pastor Sam and the team met a group of amazing students. They were students of Yeji Senior High on their way home from school. One of them walked to Pastor Sam and said daddy I know you; I am a member of GlobeServe Missionary Church – Kpegu branch of the Soboba District. He brought his colleagues and introduced them also as members of the same branch. God is indeed perfecting His will in the lives of our members.
