OUTREACH WITH THE HOPE TEAM IN YENDI (NORTHERN GHANA)

It was an amazing time with the Hope team in Northern Ghana making a difference in the lives of the communities they reached out to in the Yendi environs. Sharing the tangible love of Christ to these communities by the distribution of treated nets and dewormers. The outreach activities by the Hope team are a beautiful example of

faith in action, where the love of Christ is demonstrated through service and care for others.

CHURCH LEADERS TRAINING WITH SHELTERING WINGS

It was a great privilege to have the team from Sheltering Wings lead our pastors and some church leaders through discipleship training in Ho. This experience was an incredible blessing, providing valuable insights and strengthening our commitment to our mission.

THANKSGIVING SERVICE IN CELEBRATION OF GOD'S GOODNESS

A joint service was organized to thank God collectively as a family for how far he has brought the GlobeServe Family in Ghana and across its borders. Also, an opportunity to remind ourselves to continue to run till all nations come to the saving knowledge of our Lord Jesus Christ. What a glorious service it was. A big thank you to the leadership of GlobeServe: Pastors, Elders, Deacons and Deaconess and the entire members and partners. We appreciate you all.

DISCIPLESHIP TRAINING SESSION IN ACCRA

There was a training session with 34 of the GlobeServe Ministries pastors, a gathering of humble and dedicated men. Their level of commitment was evident throughout the session. Meanwhile, the pastors' wives enjoyed a separate, enriching session led by Susan and Jonhild Dunya. This opportunity for fellowship and growth was invaluable for all involved, fostering a deeper sense of community and shared purpose within the ministry.

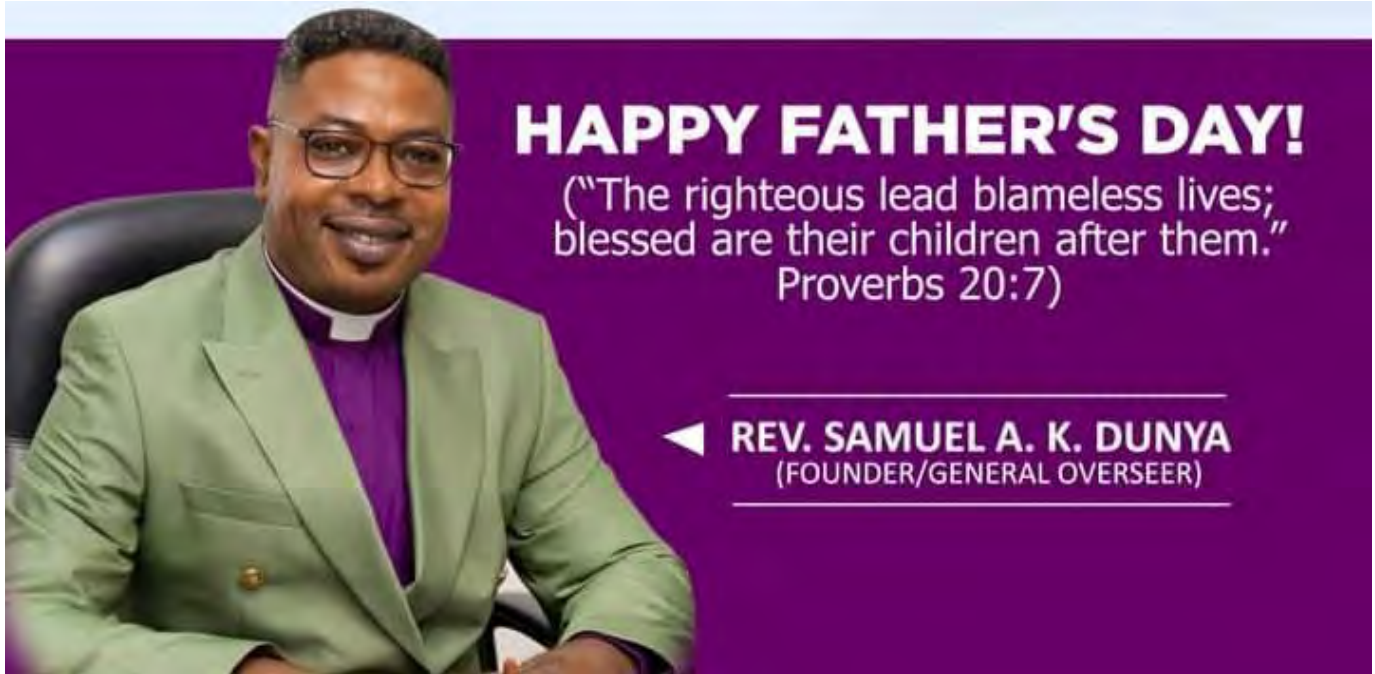

VISION SYNERGY

It was a great learning experience for participants of this year's Vision Synergy as the focus was centred on collaboration and networking. Many valuable insights were shared, highlighting how collaboration not only reduces individual burdens but also accelerates our progress towards achieving common goals. For the church, our common goal is fulfilling the Great Commission. By harnessing our resources through collaboration, we can quicken our pace in spreading the gospel and making disciples. Get connected, get involved, and together we will win.

FATHERS'S DAY CELEBRATION

This month is a moment of celebrating and appreciating all fathers in GlobeServe and across the globe. Your effort and time are much appreciated. May God bless you as you establish a legacy of faith, caring, protection and offering unwavering sacrifices for your families in the spirit of humility. In the words of Rev. Sam Dunya “Fatherhood is much understood and appreciated when boys become men and men become fathers”. To all fathers in GlobeServe and around the globe. HAPPY FATHER’S DAY.

LET’S PRAY

1. Prayer to appreciate God for all the new believers that have come to the Lord and the human resource made available in the ministry.
2. Prayer for all new souls that they be deeply rooted in the Lord.
3. Prayer for all missionaries and the entire leadership for strength and wisdom and divine protection
4. Prayer for more laborers in the vineyard.
