Mission: To make dynamic disciples of all nations for Jesus Christ through multiplying churches.

Core Mandates:

Evangelistic & Mission Mandate – Sharing the Gospel and planting churches.

Social Mandate – Showing God's love through education, justice, and community transformation.

Partnership Mandate – Advancing the Kingdom through collaboration and strategic partnerships.

INTRODUCTION

This year, GlobeServe Ministries International entered a defining chapter in its journey of disciple-making and community transformation. Guided by the vision to make dynamic disciples of all nations for Jesus Christ, we launched **MOVE-2025** - an ambitious Kingdom initiative mobilizing missionaries, empowering leaders, and transforming communities across Ghana, West Africa, and beyond.

From the bustling towns of Ghana to the remote Mamprusi villages, from new church plants in Burkina Faso to leadership training in Liberia, we have seen God at work in ways that confirm His call and multiply His mission.

This annual report captures:

Milestones achieved — thousands reached with the Gospel, new churches planted, and disciples raised.

Communities transformed — through boreholes, vocational schools, and justice initiatives.

Stories of hope — testimonies of healing, salvation, and breakthrough.

Partnerships strengthened — collaborations that extend our reach globally.

As we celebrate **29 years of ministry**, we are reminded that our mission is not just about numbers but about lives changed. Every statistic reflects a face, a story, and a future touched by the love of Christ.

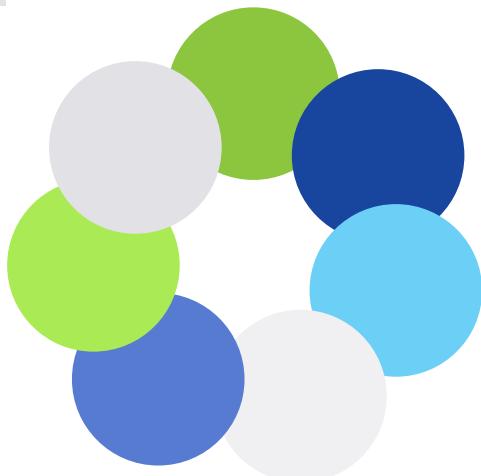

Together, we look back with gratitude and look forward with determination, trusting God for even greater impact in 2026 and beyond.
