About This Report

This consolidated report presents the combined ministry impact of GlobeServe Ministries International from October 2025 through August 2026. It brings together the results of our two principal evangelism and church-planting programs, MOVE 2026 and the Mission to Communities Program (MCP), alongside our Church Building & Discipleship work, the GlobeServe Great Commission Network (GGCN) across North Africa and the Sahel, the Justice Initiative, and our social impact in clean water, education, health, and food aid.

MOVE 2026 — Taking the Gospel to 600 Communities

NORTHERN GHANA • FULANI SETTLEMENTS • REMOTE VILLAGES

MOVE 2026 is GlobeServe's flagship evangelism and church-planting campaign, mobilising 20 missionaries across Northern Ghana, Fulani settlements, and remote villages. The following pages show the month-by-month results from January through June 2026, followed by the validated mid-year totals confirmed across all 20 missionaries.

The monthly figures above are field submissions through August 2026. The validated department review for October 2025 – August 2026, reconciled across all field missionaries, gives the official cumulative totals below. ("—" indicates the metric was not reported that month; the October–December 2025 summary did not track Jesus Film statistics.)

MCP Validated Cumulative Totals (October 2025 – August 2026)

122,526 PEOPLE REACHED	35,297 SOULS WON	1,533 BAPTISMS	1,805 DISCIPLES
1,358 HOUSE CHURCHES	240 OFFICIAL CHURCHES	55,602 WATCHED FILM	21,559 SAVED VIA FILM

1,598 New Churches in Eleven Months

1,598 new churches (1,358 house churches and 240 official churches) were planted across the ten-month period - a steady, compounding movement. The Jesus Film was shown 467 times, watched by 55,602 people, with 21,559 committing to Christ through the film.

The Jesus Film — Our Most Fruitful Tool

Across MOVE 2026, the Mission to Communities Program, and the GGCN frontier network, the Jesus Film remained the single most fruitful evangelism tool of the reporting period, often paired with medical outreach, Bible distribution, and community screenings where security allowed.

Programme	Screenings	Watched Film	Saved via Film
MOVE 2026 (Jan–Jun)	1,079	118,001	43,839
MCP (Oct–August)	467	55,602	21,559
GGCN (Jan–Jun)	—	1,909	—
TOTAL	1,546	173,603	65,398

Because the Jesus Film is a primary delivery method, particularly in MOVE 2026, these numbers overlap with each programme's overall reach and are presented as a tool-level view rather than an addition to total people reached.

Sheltering Wings Partnership

81 pastors graduated with the Diploma in Theological Studies across two cohorts (November 2025 and March 2026), strengthening leadership capacity across all 26 church districts.

Growing Leaders & Local Churches

GlobeServe Missionary Church

336 churches now operate across 26 districts and 2 sectors, with 76% of members actively engaged in Northern Ghana outreach.

Konkomba Pastors Conference

Rev. Samuel A.K. Dunya addressed over 200 pastors at the annual conference. The associated outreach produced 331 disciples made, 20 churches planted, and 232 active DBS (Discipleship Bible Study) groups.

GCAM — Tamale

14 students were in training as of February 2026. Early graduates have already recorded 87 salvations, 12 house churches, and 23 baptisms.

CONSOLIDATED FIELD REPORT · JANUARY TO JUNE 2026

For the first half of 2026, nine field leaders across the North Africa and Sahel region submitted reports covering Tunisia, Algeria, Morocco, Mauritania, Mali, Niger, Senegal, and the wider Sahel. For the security of workers in these sensitive regions, several serve in Limited Access Areas (ZAL) where ministry must remain discreet.

Summary by Field — January to June 2026

Field	Reached	Salv.	Disc.	House Ch.	Off. Ch.	Film
Sahel	50	1	—	5	0	0
Tunisia	9	5	11	3	1	0
Mali (Field 1)	200	4	15	3	0	0
Mali (Field 2)	5,360	29	12	15	4	1,789
Mali (Field 3)	30	5	10	1	1	0
Senegal	10	2	7	2	0	120
Niger	3	—	7	—	—	—
Mauritania	110	0	0	0	0	0
Algeria	39	6	12	—	—	—
TOTAL	5,811	52	74	29	6	1,909

Figures are as reported by each field; dashes indicate not reported. One field (Morocco/Mauritania) submitted a qualitative narrative and is not included above. Because reporting periods and units differ, totals should be read as an indicative picture of network activity rather than a precise sum.

What Stood Out & Greatest Needs

What Stood Out

- Church planting was active: 29 house churches and 6 official churches were started across the network, with the largest movement in the Kayes region of Mali.
- The JESUS Film remained a major tool where security allowed, reaching over 1,900 people, though several leaders could not use it because of insecurity.
- Healings, deliverances, and answered prayer featured in almost every field, often opening doors to Muslim family members and neighbours.
- Baptisms were recorded in Tunisia, Algeria, Senegal, and Mali, with more scheduled for July and August.

Greatest Needs Raised

- Finance and transport: repeated requests for motorbikes, fuel, and travel support to reach distant fields, especially in Mali and Niger.
- Security: insecurity and terrorism in Mali and the Sahel are restricting movement and, in places, halting group activity.
- Equipment: projectors, generators, and audiovisual tools for the JESUS Film and online ministry.
- Land and facilities: land for planted churches and reception centres for new converts and street children.
- Training and clarity: teaching on new evangelism strategies, and clearer understanding of the network's reporting expectations.

Field-leader names and locations are held in confidence; several workers operate in Limited Access Areas and have requested that photographs not be shared publicly without permission.

Nets, Health & the Jesus Conference

WALEWALE AREA & VOLTA LAKESIDE · DISTRIBUTION: JUNE – JULY 2026

GlobeServe's health outreaches pair mosquito net and deworming distribution with evangelism. This section consolidates three 2026 field outreaches: the Board Vision Trip distribution (May), the Calvary Team Outreach in the Walewale area (June), and the Justice Initiative among Volta lakeside fishing communities at Yeji (7–8 July), which mobilised boat masters and their families toward the upcoming Jesus Conference. Across all three, 1,537 nets and 2,627 deworming doses were distributed.

Field Vision & Impact Trips

LEADERSHIP VISION TOUR & COMMUNITY HEALTH OUTREACH · 19–26 MAY 2026

In May 2026 GlobeServe hosted the Board Vision Trip, bringing international board members and partners on a week-long tour of ministry sites across the Northern and Volta Regions. Alongside site visits and leadership engagements, the trip carried community health and evangelism into underserved communities through mosquito net and deworming distribution.

Board Vision Trip — 19 to 26 May 2026

A delegation of board members and partners toured GlobeServe ministry sites across the Northern and Volta Regions, meeting traditional leaders, launching new initiatives, dedicating community infrastructure, and reviewing schools, farms, and church projects firsthand.

What Was Achieved

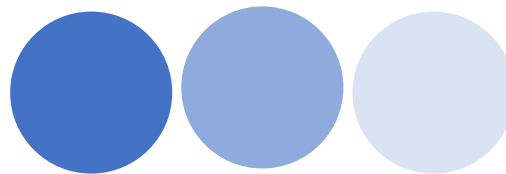

- Strengthened relationship with the Nanumba Traditional Council, affirming local support for GlobeServe's work.
- Official launch of GT-VET, marking a new phase for vocational training in the North.
- Dedication of a new community well, expanding access to clean water.
- Firsthand board review of schools, the farm, and church construction, informing future investment and partnership decisions.

Community Health Distribution

As part of the trip, the team delivered malaria prevention and deworming to underserved communities, pairing practical health support with evangelism.

What Was Achieved

- 400 insecticide-treated mosquito nets distributed.
- 300 deworming treatments administered, reaching 200 children and 100 adults.

These distribution figures are consolidated with the Calvary Team and Volta lakeside outreaches in the [Justice Initiative section above](#).

Transforming Communities

Bridge of Hope — Clean Water

The borehole programme was delivered in two phases. Phase 1 (December 2025 – January 2026) drilled 10 wells across Saboba, Tatale, and Chereponi districts. Phase 2 (April 2026 – June 2026) added 30 wells and Phase 3 (July 2026) added 10 wells across the wider community network, bringing the total to 40 wells serving over 20,200 people.

Education — Schools & Training

Frauenshuh Preparatory School (Adidome)

432 students enrolled (Mar 2026), 67 on scholarship, 28 new admissions in Term 2, 29 staff; BECE sat May 4–11, 2026.

GT-VETS (Nyankpala Tunnayili)

52 students enrolled, 6 trade areas, 95% attendance; Grand Opening May 20, 2026; maiden graduation July 2026.

Bonboug Vocational School (For Girls)

26 new admissions (Feb 2026), 120+ women graduating June 2026, skills for sustainable livelihoods.

Zangu School (Missionary Benjamin Nakoja)

285 children enrolled, 102 attended a Jesus Film screening, 45 accepted Christ.

Health & Food Aid

Health — 2026 Outreaches

Across GlobeServe's 2026 health outreaches (Calvary Team, Walewale, June; Board Vision Trip, May; Justice Initiative, Volta lakeside, July), 1,537 mosquito nets and 2,627 deworming doses were distributed across the communities for malaria prevention and community health

Food Aid — Meals from Heartland (USA)

1,320 units of soy protein rice were donated for school feeding. The consignment arrived April 5, 2026, cleared customs April 28, 2026, and was distributed nationwide to beneficiary schools.
